### COMMON LEVEL RATIO FACTOR

This is a property valuation factor established for each county by the State Tax Equalization Board, as mandated by Act 267-1982. The factors are ratios of assessed values to fair market values as reflected by actual sales of real estate in the taxing district. This valuation formula has been developed to provide uniformity in the taxing of properties statewide. These valuation factors are updated each year, and a statewide list can be obtained from the Recorder of Deeds in each county.

### PENALTY FOR FAILURE TO RECORD DECLARATION OF ACQUISITION

When a Declaration of Acquisition is not recorded within 30 days after becoming an acquired company, a penalty in the amount of 5% of the realty transfer tax due is imposed for each month or fraction thereof in which the tax remains delinquent, but not to exceed 50% in the aggregate.
